

SWANSEA UNIVERSITY

GOVERNANCE AND NOMINATIONS COMMITTEE TERMS OF REFERENCE

1. Reporting

The Governance and Nominations Committee reports to the Council.

2. Occurrence

The Committee should meet at least four times a year. Special meetings may be called by the Chair of the Committee. The Committee shall use email circulation or telephone/video conferencing as appropriate to progress its business effectively. Meetings will be conducted in line with best practice as set out in the University's Regulations for the Conduct of Meetings approved by Council.

3. Composition

The Committee membership consists of:

- Pro-Chancellor and Chair of Council (Chair);
- Pro-Chancellor;
- The Vice-Chancellor;
- Three lay members of Council;
- One staff member appointed by Senate;
- One staff member of Council;
- President of Students' Union (or another student member of Council).

Additional members with particular expertise may be co-opted via recommendation to Council via the Governance and Nominations Committee.

Co-opted members are not members of Council, and therefore are not Trustees of the University. However, they are full members of the Committee on which they sit and make a pivotal contribution to the business of the committee.

Co-opted members of Council sub-committees are independent, lay individuals, appointed to bring specialist advice and input to the business of the sub-committees. The purpose of the role-holders is to provide additional expert advice within the corporate governance framework of the University, without increasing the number of lay members on Council.

Lay committee members should not have significant financial interests in the University.

There should be 'due regard' to the provisions of the Equality Act 2010.

4. Privileged Communications with Members and co-opted members of Council Committees and Sub-Committees

Privilege allows individuals and entities to resist disclosure of confidential material in the context of legal advice, arbitration, litigation, and investigations. Privilege can apply to legal advice and litigation matters and includes discussions, decisions, instructions, and receipt of legal advice (written and oral). There are strict rules on when privilege applies, and privilege can be lost by circulating privileged material without adequate safeguards.

It is anticipated that it will be necessary for all Committee and Sub-Committee Members, during their term of office, to be party to privileged communications/information and they must act in accordance with the University Council's Code of Practice for Members and the Regulations for the Conduct of Meetings in such matters.

5. Terms of Office

Members shall be appointed for 4 years in the first instance, with the possibility of appointment for a second term of no more than 4 years.

6. Attendance

The Registrar and Chief Operating Officer and Secretary to Council should attend meetings.

At the discretion of the Chair other University officers, as may be appropriate, shall be invited to attend meetings.

7. Quorum

Five members of the Committee will form a quorum subject to at least three of whom being lay members of Council (*i.e. The Pro-Chancellor and Chair of Council, the Pro-Chancellor and/or Lay members of Council*).
